

025

The image features three large, bold, black stylized characters. The first character on the left is a simple upward-curving arc. The middle character is a complex shape that resembles the Hebrew letter 'ש' (shin) with a central vertical stroke, possibly representing a specific font or a decorative element. The third character on the right is a 'ח' (chet) character. A small number '025' is positioned above the middle character.
